Green Dragon Foundation Funding Request Policy (Adopted on 8/17/10)

The Green Dragon Foundation welcomes funding inquiries. We will review and consider funding requests that have been submitted to our organization through appropriate channels.

Green Dragon Foundation Funding Request Procedure (Adopted on 8/17/10)

Any LASD teacher or staff may make a Green Dragon Foundation Internal Funding Request to his/her building principal. A building principal may generate or approve a funding request and forward the request to the Superintendent of LASD. The Superintendent may generate or approve a funding request and submit it to the Green Dragon Foundation. Once the Green Dragon Foundation receives the funding request, it will be reviewed by the Strategic Initiatives Committee. After careful review, the Strategic Initiatives Committee will present its recommendation to the Green Dragon Foundation Board of Directors for their consideration. Once the Green Dragon Foundation Board makes its decision, it will be conveyed in writing to the LASD Superintendent.

Internal Funding Request
